

EHBEA student grant evaluation form

Applicant name:	
Project title:	
Funds requested for: <i>e.g. participant payments, travel to field sites, other research costs.</i>	

For each criterion, score the application from 1-5 as follows:

- 1 = strongly disagree
- 2 = disagree
- 3 = partly agree/partly disagree
- 4 = agree
- 5 = strongly agree

Criterion	Score 1-5
Project is of the highest scientific quality & complements EHBEAs aims	
Project is feasible given the time period and funding requested	
Applicant's track record/potential suggests the proposal would succeed	
Letter of support confirms the applicant's suitability & project feasibility	

Please provide some additional written feedback in the box below (max. 300 words).
Feedback must be constructive and appropriate for applicants' career stages.

The EHBEA committee will make the final decision on whether to award funding, based on the reviewers' evaluations and in some cases, contextual factors.
